

## THE FLEUR BAR & BISTRO

Get the decorations out, and start planning your shopping. Yes, it may only be October, but if you want to make it a Christmas to remember this year, now's the time to start thinking about it. Take your Christmas work celebration, or your annual festive get-together with friends. Do you want it to be an occasion to remember, and a marked improvement on last year? Well, lucky for you, The Fleur Bar & Bistro, one of the city's most appealing eating and drinking establishments, has quite a festive season already mapped out.

### Casino Royale party nights

Christmas offers a perfect excuse to get dressed up in your sharpest suit or slinkiest dress, and have a really stylish night out. With that very much in mind The Fleur Bar & Bistro are hosting a series of special party nights in the run-up to Christmas, that offer everything you could want – the fine food, the bubbly, the mulled wine, the dancefloor, and the chance to test your luck in their very own casino. These festive occasions (six of them in all during December) offer an opportunity for groups of almost any size to join in the fun. After being greeted by a glass of champagne or mulled wine, your group of colleagues or friends will be allocated their table, and can choose something from the Fleur Bar & Bistro's innovative take on a Christmas menu. When you've finished your meal you'll be able to head out into a heated marquee in the garden for a spot of Bond-style casino action, with a roulette table and cards under the tutelage of a croupier. Don't worry though, you won't be allowed to let the festive spirit get the better of you, you'll only be gambling with pretend money – although you'll still be able to win superb prizes. Then it's music and dancing until your Aston Martin – or taxi – collects you in the early hours.  
*Party Nights: Tue 2, Fri 5, Tue 9, Thur 11, Tue 16, Fri 19 Dec*

### Christmas menu

The Fleur Bar & Bistro's two or three course Christmas menu will be available every day from late November, offering something a little different for discerning festive diners. Starters include choices like pan-fried pigeon breast or seared scallops, while mains are a turkey-free zone, with dishes including free-range duck with Christmas berries or a swordfish steak marinated in saffron. Perfect for groups of any size, from two to thirty – but like the Casino Royale nights, booking is essential.

### BONFIRE NIGHT!

Remember, remember, that the garden at The Fleur Bar & Bistro is a great place for viewing this year's big fireworks display. Alternatively it's ideally placed close to Midsummer Common to pop into either before or after the display for something to drink, or a bite to eat.
