

EATING & DRINKING

THE FLEUR BAR & BISTRO

It's been quite a year for The Fleur Bar & Bistro. Since opening just over 12 months ago following a lavish refurbishment of the existing pub building, it has rapidly established itself as a must-visit destination for its excellent food, stylish surroundings and effortlessly accommodating service. Combining a contemporary feel with a friendly neighbourhood setting, The Fleur Bar & Bistro seems to have found a formula that offers people the best of both worlds – whether customers are looking for somewhere for a quiet meal out or a venue for a larger-scale special celebration.

Venue for hire!

The set-up of The Fleur Bar & Bistro is such that it is a perfect environment for special events, parties and celebrations of almost any size, and there's never any charge for hire. If you're planning a big event you can hire the whole of The Fleur Bar & Bistro for the day or night, while for smaller parties there are several different sized areas to suit. The interior is divided into a wine bar area, a main restaurant area, complete with stage, and a pretty, enclosed garden, parts of which are under cover. You can choose to hire out any or all of these areas for your event, and then The Fleur Bar & Bistro's team will take care of making sure you and your guests enjoy yourselves to the fullest. Food options range from lavish buffets to set menus or even barbecues, and they can also take care of any musical entertainment, themes, decorations, or pretty much anything you desire to make it an occasion to remember!

New menu

As summer turns into autumn, The Fleur Bar & Bistro will be freshening up their menu, introducing some different flavours and some heartier dishes, combining stunning presentation and great flavours, in the style for which they have become known. Innovative new dishes to look out for include a warm fig and Parma ham salad topped with sculptural shards of parmesan; and stacks of prosciutto and melon, accompanied by a shotglass of watermelon sorbet.

Christmas is coming!

It may still be summer, but now's the time that forward-thinking companies and organisations are starting to plan this year's Christmas celebrations. In addition to a daily menu of Christmas fare, the Fleur Bar & Bistro will be holding a number of special nights during the festive season, and will offer a unique Christmas menu or party setting for groups of any size. As the saying goes, book now to avoid disappointment!
